

Hello Claude and FPIP.

On behalf of the Police Union in Denmark I would like to thank you and FPIP very much for your attention, support and concern in connection with the tragic events in Copenhagen in the weekend February 14 - 15, 2015.

We had 6 police officers, who were injured in connection with the terrorist attacks – fortunately all of them have been released from the hospital. Up to now during the investigation it seems as if the terrorist, who were shot and killed by the police, was the only perpetrator.

But it has been a pleasure to all Danish police officers to see the overwhelming support and thoughts, which we have received from colleagues all over Europe. Thank you very much.

On behalf of the Police Union in Denmark - and best regards
